Please bring this catalogue with you to the sale.

We welcome all cattle breeders and enthusiasts of our great Shorthorn breed to our 11th Annual Bull Sale.

This year we are holding the sale at 'Little Belmore' our bull raising block located only 18 kilometres out of Naracoorte at 1020 Boddingtons-West Road, Wild Dog Valley SA.

We have taken on client and agent feedback, moving our sale date to coincide with the other two South Australian Shorthorn sales to make things easier for you, minimising travel. The sale will also be available through AuctionsPlus. We are very proud of our sale offering and the comments following our field day supported our confidence in this sale draft.

We have made great strides in improving our birth weight and this year have a large portion of the catalogue who are low birth weight, easy calving bulls, who would suit heifers. They are moderate framed, structurally sound meaty cattle who suit the modern industry market type. Our bull selection criteria are stringent, the bulls are reassessed numerous times to get to sale day. They have been DNA tested for poll and myostatin genes and GGP-100K panel for performance testing, our herd is JBAS 8.

Three new sires are represented in this sale draft, including Belmore Wrangler Q303 an impressive red son of Crooked Post Stockman 4Z, we've used over heifers for 3 seasons. Two sons of Yamburgan Gigabytes M1052 have an exciting line of bulls in the catalogue. We have another remarkable draft of Bayview Vagabond P41 sons. The lineup is rounded out with Playstation, Tremain, Fortress and Bernard sons, who offer a little more growth. What ever you need, you will find a bull here at Belmore.

Yours sincerely,

Andy Withers

Sale Terms and Conditions and Freight

Elders and Nutrien are the selling agents. The sale will operate under the usual terms and conditions of livestock auction sales. All lots will be sold exclusive of GST. Bulls are at the purchaser's risk from the fall of the hammer. We recommend all bulls be insured.

Inspection: Bulls can be inspected prior to sale, by arrangement with the Vendor or Selling Agents or from 10am Wednesday 13th March and 8:30am Sale day. Video footage of Lots will be available prior to sale on AuctionsPlus and YouTube.

Rebate: An outside agent rebate of 3% will be offered to agents introducing buyers in writing to the selling agent within 24 hours prior to the sale and settling within 7 days.

AuctionsPlus: This sale is interfaced with AuctionsPlus. This will allow remote bidders to operate in the sale from their location via a smart phone, tablet or computer. Prospective bidders must register at least 24 hours prior to the sale with AuctionsPlus at www.auctionsplus.com.au.

Phone orders: Mobile phones operate successfully at the sale venue. If you are unable to attend the auction we encourage you to make arrangements with the Selling Agents or Vendor if you wish to be contacted during the sale to place bids. Please make arrangements at least 48 hours before the sale.

Health: Belmore has a J-BAS 8 score. Bulls have been vaccinated with 7in1, Vibriovax & Pestiguard as per Zoetis STAR program. Bulls are semen tested and vet checked by Dr Tony Tully BVS prior to sale day.

Bull guarantee: All bulls are guaranteed to be breeders with the exception of:

- a) In the event of injury or disease that occurs to the animal after the sale
- b) Gross negligence or wilful misconduct on the part of the purchaser.

Any complaint must be lodged in writing with a relevant Veterinary Certificate within 6 months of the Sale direct to the vendor.

Transport: To be co-ordinated immediately after the sale, either to be trucked directly or arrangements made with vendor to paddock animal/s until transport available. Bulls will be delivered free within South Australia and all bulls sold interstate will be freight assisted. These conditions apply only if transport is arranged by the vendor.

Accommodation: For recommendations please contact the selling agents or vendors.

Aloha Luxury Accommodation: 0448 652 586

Country Roads Motor Inn: 08 8762 3900

Bushman's Arms Hotel: 08 8762 2100

Naracoorte Hotel-Motel: 08 8762 0022

William McIntosh Motor Lodge: 08 8762 1644

Catering: Light refreshments will be available. COVID safe practices will be adhered to. Please ensure strict hygiene practices and social distancing guidelines are adhered to at all times.

Safety Disclaimer: The owners, employees & representatives of the Vendors accept no liability for any accidents that may occur at Little Belmore Sale Complex. Although such occurrences are rare, any persons attending Belmore's Annual Bull Sale do so at their own risk.

Animals offered for sale are known to be of quiet temperament under normal conditions, but sale day is not considered to be 'normal conditions'. Please do not crowd the animals. Please use common sense and be alert, taking note of your surroundings and safety at all times.

Sale catalogue disclaimer: All reasonable care has been taken by the vendors to ensure that the information provided in this catalogue is correct at the time of publication. However, neither the vendors, selling agents or publisher make no other representations about the accuracy, reliability or completeness of any information provided in this catalogue and do not assume any responsibility for the use or interpretation of the information included in the catalogue.

Can't make the sale?

Log on to AuctionsPlus and bid on your phone, tablet or computer.

Contact AuctionsPlus on (02) 9262 4222 or email studsales@auctionsplus.com.au or www.auctionsplus.com.au

EPD Quick Reference Guide

An EPD is an Expected Progeny Difference and it uses all the available information we have to describe an animal's DNA for a specific trait. The EPD uses the animal's own performance in its calculation but it is not describing the performance of the animal, it reflects the predicted performance differences of the OFFSPRING, not the phenotype of the animal.

CE-D: CALVING EASE DIRECT - % of extra unassisted births in heifers. Positive values are more favourable.

CE-M: CALVING EASE MATERNAL - % of extra unassisted births in 1st calving heifers. Positive values are more favourable.

BWT: BIRTH WEIGHT - pounds of birth weight.

WWT: WEANING WEIGHT - pounds of weaning weight adjusted to 205 days.

YWT: YEARLING WEIGHT - pounds of yearling weight adjusted to 365 days of age.

MILK: MILK - pounds of weaning weight of daughters' progeny due to milk production.

MWW: MATERNAL WEANING WEIGHT - pounds of weaning weight of daughters' progeny due to milk and growth.

STAY: STAYABILITY - % of daughters remaining in the herd at 6 years of age. Positive values are more favourable.

DOC: DOCILITY - % of progeny receiving a docility score of 1 (ideal). Positive values are more favourable.

CWT: CARCASS WEIGHT - pounds of carcass weight.

REA: RIB EYE AREA - rib eye area in square inches.

FAT: RIB FAT - rib fat in inches.

YG: YIELD GRADE - lower yield grade scores are more favourable, based on USDA yield grade score.

MS: MARBLE SCORE - differences in carcass marbling scores. Positive values are more favourable.

API \$: API \$INDEX - All Purpose Index is sires used in self replacing cow herd with progeny marketed for both quality and yield.

RANK: RANK% - EPD ranking relative to Shorthorn percentile band, lower % values usually more favourable.

Don't let pestivirus rob you blind

**Pestivirus is an insidious cattle disease.
It can take from you before you know it.**

It causes significant reproductive and performance issues, and weakens immune systems – leading to other costly cattle health problems like respiratory disease. In fact it costs the industry over \$114m every year.^[1]

To protect your herd from pestivirus and optimise your returns, it pays to be on Pestigard.

Find out how easy it is at your local rural reseller or cattle vet.
